PROJECTS

- Health Care Management System**
 - Built a scalable healthcare management platform using MERN Stack and TypeScript with secure frontend and backend architecture.
 - Integrated Zoom and Acuity APIs for appointment scheduling, virtual consultations, and real-time communication features.
- Social Media App Backend (Crikclip)**
 - Developed complete backend architecture using Node.js, Express.js, and MongoDB for social media operations
- Transport Management System**
 - Built a custom Transport Management System with admin dashboard and operational workflow management features.
- Challan Management System**
 - Developed a scalable Challan Management System using MERN Stack with secure backend architecture and admin workflow management.
 - Integrated third-party services including Parivahan APIs and payment gateway integration for challan verification, online payments, and real-time vehicle data processing

PROFILE

Full Stack Developer with 2+ years of experience building scalable MERN stack applications using React.js, Node.js, TypeScript, and MongoDB for healthcare, CRM, and transport management systems.

WORK EXPERIENCE

- Evozone Technolabs** 2025-CURRENT
Software Engineer
 - Working as a Software Engineer at Evozone Technolabs, contributing to backend development using Go (Golang), with a focus on building clean, efficient APIs and improving system performance in real-world applications.
- Rampwin Technology** 2024 - 2025
Full Stack Developer
 - Integrated third-party tools such as Zoom and Acuity into a Healthcare Management System, enabling seamless scheduling and virtual consultations for clients.
 - Led email integration workflows (frontend + backend) and ensured GDPR compliance, enhancing data privacy and communication efficiency for healthcare-related applications.
- Singhtek Bizgroup Pvt Ltd.** 2023-2024
Full Stack Developer
 - Worked as a Full Stack Developer at Singhtek Pvt. Ltd., where I developed and optimized Lead Management APIs for a custom CRM system using Node.js and MongoDB, ensuring efficient data flow and scalability.

EDUCATION

- Bachelor Of Technology** 2020 - 2024
St. Wilfred's Institute of engineering college | Bikaner Technical University
- Senior Secondary (XII), Science** 2019 - 2020
RBSE Board (MPS)
